# As long as he needs me

As long as he needs me  
Oh, yes, he does need me  
In spite of what you see  
I'm sure that he needs me

Who else would love him still  
When they've been used so ill  
He knows I always will  
As long as he needs me

I miss him so much when he is gone  
But when he's near me  
I don't let on

The way I feel inside  
The love I have to hide  
The Hell! I've got my pride  
As long as he needs me

He doesn't say the things he should  
He acts the way he thinks he should  
But, all the same  
I'll play this game his way

As long as he needs me  
I know where I must be  
I'll cling on steadfastly  
As long as he needs me

As long as life is long  
I'll love him, right or wrong  
And, somehow, I'll be strong  
As long as he needs me

If you are lonely, then you will know  
When someone needs you, you love them so

I won't betray his trust  
Though people say I must  
I've got to stay true, just  
As long as he needs me
